WHY PLA FOR JUDICIARY?

1 COMPREHENSIVE COURSE STRUCTURE FOR JUDICIARY (MAJOR & MINOR LAWS, LOCAL LAWS, GK/CURRENT AFFAIRS & LANGUAGE)

- Pahuja Law Academy provides a comprehensive course for meeting the required needs of Judicial Service Exam of all the states in India.
- We provide you separate & simultaneous classes for Major Laws, Minor & Local Laws, Current Affairs & GK along with Language & Judgment Writing classes.
- These classes broaden the coverage of the candidates & also give them a wide perspective which is helpful in clearing their respective judicial exams.

2 SMALL BATCH SIZE

- One of the most striking features of PLA is that we keep the Batch Size SMALL.
- The class strength of Judicial Service at Pahuja Law Academy is kept limited in order to facilitate a better interaction between the students and the teacher.
- Small Batch ensures that the student gets PERSONAL ATTENTION of the teacher and also REAL TIME
- DOUBT CLEARANCE which brightens the chances of selection for students. On the contrary, a large batch size is a recipe for disaster & it leads to lesser interaction with the teacher and therefore reduces the chances of selection.

3 INTERACTIVE CLASSES

- The classes of Judicial Service at Pahuja Law Academy are exceptionally interactive the reason for it is that we keep the batch size small. Interactive classes coupled with Small Batch Size leads to Real Time Doubt clearance.
- The teacher is able to take all the doubts of the students and solve them instantaneously also the answers written by the students are evaluated and expert reviews are given on same.
- It helps the students in gauging the concepts clearly as they have the individual attention of the teacher and also the teacher is in a better position to understand and clarify the doubts raised by the students.

4 EXPERT FACULTY FOR EVERY SUBJECT

- We have broken the tradition of rendering unilateral lectures by a single faculty member and provided a perfect learning environment by channeling our lectures through specialized teachers for different subjects of Major Laws, Major Laws, Local Laws, GK/GS, Current Affairs and Language.
- Team PLA comprises of a battery of more than 10 teachers who are dedicated professionals & come with vast experience in their respective subject arena, Understand & clarify the doubts raised by the students.

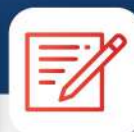

WHY PLA FOR JUDICIARY?

5 ONLINE TEST SERIES - FIRST IN INDIA

- For the first time in India & in order to meet the technological gap, PLA has developed a state of the art facility of ONLINE TEST SERIES which has more than 50,000 preliminary questions for every state in India.
- These tests are bifurcated subject wise & state wise which the students may opt for once they enroll with PLA
- This mechanism also facilitates real time result analysis & also give a topic wise analysis for every opted by the students.
- We also help our outstation students in developing their main answer writing skill online & give them evaluation & review for the same

6 BULLET NOTES (ONLINE AND OFFLINE)

- The practice of never-ending dictations does not lead to accurate learning & also fails to provide an educational environment for judiciary students. Majority of the class time is wasted in taking down dictations which limits the student-teacher interaction & also the students are not prepared in advance for the actual classes.
- We provide the students with topicwise bullet notes for all subjects at the time when that particular subject begins
- This facility enables the students to come prepared for the lecture prior to the class & minimal time is wasted in taking down dictation & thus, this method provides for a better learning atmosphere for judiciary aspirants.

7 EXHAUSTIVE MATERIALS (BOOKS, TEST BOOKLETS, CASE LAWS ETC)
