WHY PLA FOR JUDICIARY?

1 COMPREHENSIVE COURSE STRUCTURE FOR JUDICIARY

(MAJOR & MINOR LAWS, LOCAL LAWS, GK/CURRENT AFFAIRS & LANGUAGE)

- ➔ Pahuja Law Academy provides a comprehensive course for meeting the required needs of Judicial Service Exam of all the states in India.
- ➔ We provide you separate and simultaneous classes for Major Laws, Minor & Local Laws, Current Affairs and GK along with Language and Judgment Writing classes.
- ➔ These classes broaden the coverage of the candidates and also give them a wide perspective which is helpful in clearing their respective judicial exams.

2 SMALL BATCH SIZE

- ➔ One of the most striking features of PLA is that we keep the Batch Size SMALL.
- ➔ The class strength of Judicial Service at Pahuja Law Academy is kept limited in order to facilitate a better interaction between the students and the teacher.
- ➔ Small Batch ensures that the student gets PERSONAL ATTENTION of the teacher and also REAL TIME DOUBT CLEARANCE which brightens the chances of selection for students.
- ➔ On the contrary, a large batch size is a recipe for disaster and it leads to lesser interaction with the teacher and therefore reduces the chances of selection.

3 INTERACTIVE CLASSES

- ➔ The classes of Judicial Service at Pahuja Law Academy are exceptionally interactive the reason for it is that we keep the batch size small. Interactive classes coupled with Small Batch Size leads to Real Time Doubt clearance.
- ➔ The teacher is able to take all the doubts of the students and solve them instantaneously also the answers written by the students are evaluated and expert reviews are given on same.
- ➔ It helps the students in gauging the concepts clearly as they have the individual attention of the teacher and also the teacher is in a better position to understand and clarify the doubts raised by the students.

4 EXPERT FACULTY FOR EVERY SUBJECT

- ➔ We have broken the tradition of rendering unilateral lectures by a single faculty member and provided a perfect learning environment by channeling our lectures through specialized teachers for different subjects of Major Laws, Local Laws, GK/GS, Current Affairs and Language.
- ➔ Team PLA comprises of a battery of more than 10 teachers who are dedicated professionals and come with vast experience in their respective subject arena. Understand and clarify the doubts raised by the students.

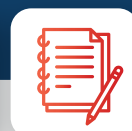

WHY PLA FOR JUDICIARY?

5 ONLINE TEST SERIES – FIRST IN INDIA

- ➔ For the first time in India and in order to meet the technological gap, PLA has developed a state of the art facility of ONLINE TEST SERIES which has more than 50,000 preliminary questions for every state in India.
- ➔ These tests are bifurcated subject wise & state wise which the students may opt for once they enroll with PLA.
- ➔ This mechanism also facilitates real time result analysis and also give a topic wise analysis for every test opted by the students.
- ➔ We also help our outstation students in developing their main answer writing skill online and give them evaluation and review for the same.

6 BULLET NOTES (ONLINE AND OFFLINE)

- ➔ The practice of never-ending dictations does not lead to accurate learning and also fails to provide an educational environment for judiciary students. Majority of the class time is wasted in taking down dictations which limits the student-teacher interaction and also the students are not prepared in advance for the actual classes.
- ➔ We provide the students with topic wise bullet notes for all subjects at the time when that particular subject begins.
- ➔ This facility enables the students to come prepared for the lecture prior to the class and minimal time is wasted in taking down dictation & thus, this method provides for a better learning atmosphere for judiciary aspirants.

- ➔ In our recent BIHAR JUDICIAL SERVICE results more than 15 candidates were first-time examinees of any Judicial Exam. This further substantiates our arguments of providing quality education with regular assessment for the better selection of our candidates.

11 FLEXIBILITY IN ATTENDING CLASSES

- ➔ At Pahuja Law Academy we do not restrict the learning of our students in a particular batch. In spite of running multiple batches, we allow our students to switch batches in case they have missed their classes in their own batch due to any emergency or LL.B., LL.M. or other exams.
- ➔ The students are also free to attend more than 1 batch at one time for the purpose of covering their syllabus in a much faster speed, this facility allows the students to cover their syllabus and learn at their own pace.

I extend my heartfelt gratitude and thankfulness to Pahuja Law Academy (PLA) for playing a crucial role in my journey.

I completed my 5 year integrated law from GLC, Mumbai in 2018 and was a part of 1 year program at PLA.

PLA helped me extensively in concept building. Understanding subjects holistically and also guided me well on mains answer writing. The regular test series of the institute further supported my preparation.

I am also thankful in particular to the teachers at PLA and administration without whose guidance it wouldn't have been possible.

Last but not the least, blessings of my parents and encouragement of friends pushed me towards achieving this.

It was a great journey with (PLA) Pahuja Law Academy after passing my law graduation from Dhanbad Law College in the year 2015, I joined PLA in Batch June 2016 - April 2017. PLA not only helped me to achieve my dream but also kept me motivated throughout my journey.

Not only faculty but the staff and administrative side was also very cordial and ready to help whenever asked for.

Time to time test series helped me to boost my confidence for pre and mains. The material provided were enough for preparation as I hardly felt need to refer any other text book. And the interactive classes will provided not only to clear the doubts but the session help to prepare oneself for interview.

At last I would like to thank PLA from the bottom of my heart for being a great support to accomplish my goal.
